

Payee Services Available
Mental Health America of
Northern KY and Southwest OH are now
accepting new clients in the payee program

Designed to help individuals in their recovery by budgeting income to meet expenses. The program ensures rent is paid along with utilities, doctor's visits, medication costs and other expenses that are required.

The staff at MHA will work with individuals or families to provide wrap around services linking the participants to community resources and educational activities to promote mental wellness.

Please contact MHA to schedule an initial interview and set the wheels of financial recovery into motion.
